- _____ canned vegetable
- _____ crackers
- _____ cookies
- _____ boxed dessert
- _____ Christmas candy

For the Dec. 9th Food Bank distribution, our parish is again hoping to supply a Christmas dinner for approximately 175 needy recipients. This will only be possible with your generous support. We are asking parishioners to put together a shopping tote of nonperishable items that will make up a complete meal for local families. The Church will purchase a \$10 gift card from a local grocer for them to purchase their main course item. Please consider "adopting" a family and donating a shopping tote of holiday meal items. Your thoughtfulness and generosity are greatly appreciated by the recipients of these totes.

If you are willing to donate a tote, please sign the sheet on the counter at the back of the church.

Totes can be dropped off in Mack Hall from November 28th to December 7th Monday through Friday from 7a.m. – 3 p.m.

Please contact Lori Anselmino if you have any questions.
