

## **Saint Elizabeth Ann Seton Confirmation Program**

The Confirmation Program includes a requirement of 2 service projects, one Parish centered project and one done in the greater community (school, a community event, etc). As you are preparing to become a fully initiated member of the Catholic Church it is important to practice serving others, following the example that Christ has set for us in His Ministry. Our hope is that you will continue to give of your time and talent in our parish once you have received the Sacrament of Confirmation!

### **Parish Service Projects**

**This is a list of opportunities to help at the parish level. Please watch the bulletin for updates or new dates in which you will be able to serve. Contact the person listed to sign up!**
